

With this letter the ITTF informs you officially that your player **TOMA Danilo** got already 2 official warnings at 2 different GAC GROUP 2012 ITTF WORLD TOUR EVENTS in the year of 2012 because your player didn't wear a Shirt printed with his/her name on the back. If your player will enter another ITTF WORLD TOUR EVENT this year and he/he will play again with a shirt where the name is not printed the Referee will disqualify him/her from the event.

Please forward this information to your player with a reminder to the regulation (point 1.5 (page 6) in the 2012 World Tour Sports Specific Information):

- Players must have their names printed on the back of their shirts starting from the main draw matches. Players or pairs who do not fulfill this obligation will be subject to sanctions imposed by the ITTF Executive Committee and explained in the Sports Specific Information.
- Starting from 1 January 2011
 - the player gets a warning from the Referee first time when he/she does not have a shirt with the name on the back starting from the main draw matches.
 - the player gets a second warning from the Referee second time when he/she does not have a shirt with the name on the back starting from the main draw matches.
 - the player is not allowed to play in the tournament third time when he/she does not have a shirt with the name on the back starting from the main draw matches.
- Warnings are registered by the ITTF Competition Department and are published on the World Tour section of the ITTF web-site. During the same tournament only one warning is given to a player in case of breaking the rule.
