

## STEPS FOR SUBMITTING THE "CONDITIONS OF PARTICIPATION" FORM

For submitting the "Conditions of Participation" form of your players, please follow the steps below in the following order:

1. **Login** from the Home page (<http://results.ittf.link>) using your NA's Username and Password (The same ones you use for the Junior Online Entries system).
2. After you log in, **click** on the **<Players data>** link, which can be found under the **<Players>** tab on the menu.
3. This list contains all your players and there is a valid form sign on the right of each player record, which refers to a valid or not valid/not existing form.

If you want to **upload a signed form** you **click on the edit button** on the right side of the record to open it. In the field **<Participation form>** you select the signed form from your PC and you click Save.

4. After you successfully save the record, an **automatic email** will be sent to the ITTF staff, who will check the validity of the form and will update the player record accordingly.
